

TEACH Grant Application

2017-2018

The Teacher Education Assistance for College and Higher Education (TEACH) Grant is awarded by UA to students who are completing, or intend to complete, coursework to begin a career in teaching and who agree to serve for a minimum of four years as a full-time, highly-qualified, high-need field teacher in a low-income school. For more information regarding highly-qualified teachers, high-need subject areas and schools serving low-income students, visit <http://financialaid.arizona.edu/undergraduate/new-grant-program-teach-grants>.

If students awarded the TEACH Grant do not complete the four years of qualified teaching service within eight years of completing the course of study for which the TEACH Grant was received, or otherwise fail to meet any other requirement of the TEACH Grant, the Grant will convert into a Federal Direct Unsubsidized Loan, with interest accrued and capitalized from the date of original disbursement.

In order to qualify, you must:

- Complete a 2017-2018 Free Application for Federal Aid (FAFSA) at <http://www.fafsa.ed.gov/>.
- Be enrolled at UA as a degree seeking student for the Fall 2017 and/or Spring 2018 semesters. This award is not available during the summer sessions.
- Have a 3.25 cumulative GPA at a post-secondary institution when initially applying for the grant (first year students use your high school GPA) OR have scored above the 75th percentile on a standardized admissions test (e.g., SAT, ACT, GRE) once. You must maintain a 3.25 cumulative GPA at UA in order to be considered for the TEACH Grant.
- Each academic year complete the TEACH Grant Application, TEACH Grant Agreement to Serve and TEACH Grant Entrance Counseling.

In order to maintain grant status after graduation, you must:

- Serve as a full-time, highly-qualified teacher in a low-income school and in a high-need field (as listed in the Nationwide List for the state in which you will be teaching) for the majority of classes taught for at least four years within eight calendar years of leaving the program for which you received the TEACH Grant. To access the Nationwide List, visit <https://www.tcli.ed.gov/CBSWebApp/tcli/TCLIPubSchoolSearch.jsp>.
- Write to the Secretary of Education (within 120 days of completing or otherwise leaving the program of study for which the TEACH Grant was received) confirming that you are employed as a full-time teacher in accordance with the terms of the TEACH Grant, or you are not yet employed as a full-time teacher but intend to meet the terms of the TEACH Grant service agreement.
- Upon completion of each year of teaching service, submit documentation of the service in the form of a certification by a chief administrative officer of the school.
- Comply with all other terms, conditions, and requirements that the Secretary of Education determines to be necessary

If you fail to meet any of these terms, the TEACH Grant funds you receive will convert into a Federal Direct Unsubsidized loan, with interest accrued and capitalized from the date of original disbursement. Once this grant is converted to a loan, it cannot be converted back to a grant.

Due to the Budget Control Act of 2011 (the sequester law), TEACH Grant awards first disbursed on or after October 1, 2016 and before October 1, 2017 are subject to required changes for the Federal fiscal year 2018. The sequester changes the percentage by which TEACH Grant awards must be reduced from the original statutory award amount regardless of when any subsequent disbursement of the award is made. Your original TEACH Grant award is contingent upon your enrollment and the sequester law. If you are interested in the TEACH Grant, complete the following application and return it to the Office of Scholarships and Financial Aid.
