If Fall 2018 is your first semester at the University of Arizona (UA), **do not complete this form** as you are not eligible for Summer 2018 Federal Work Study (FWS). This form is strictly for continuing UA students who will NOT enroll in at least 3 summer UA units and have already completed a Summer Federal Work Study Application.

If you do not enroll in at least 3 summer UA units, federal guidelines require that FWS earnings be used as aid during your next academic year. FWS earnings cannot be used as your means of support for the summer. This means any summer FWS earnings will be counted as financial aid for the Fall 2018/Spring 2019 terms. Your summer FWS earnings, excluding any job related expenses from this form, will reduce the amount of need based aid (grants, scholarships, subsidized loans, etc.) you can receive in Fall 2018/Spring 2019.

If we do not receive this form, the full amount of your summer FWS earnings will carry forward to the next academic year. These summer FWS earnings will appear on your 2018-2019 financial aid award notice as a Summer FWS Contribution and will be viewed **as aid you should have saved to cover your educational expenses for the 2018-2019 academic year.**

You can minimize your Summer FWS Contribution by answering the questions below. This will provide a better understanding of your personal job-related expenses for summer.
