

# SCHOLARSHIP DESIGNATION FORM

Thank you for supporting students at the University of Arizona! All disbursements of funds (institutional or donor based) by the University are non-refundable to the dispensing authority once they have been given to the students. We check to see that students are enrolled at time of delivery (up to ten days prior to term start). If other donor requirements are not met by a student, we expect that donors can withhold future disbursements to that students until conditions are met.
