

Satisfactory Academic Progress (SAP) Appeal

For GPA and/or Pace

Summer 2025

First Name: _____ M.I. _____ Last Name: _____

University Email: _____ Student ID: _____

Introduction to this Form

To be eligible to receive financial aid, students must be meeting Satisfactory Academic Progress (SAP) standards. The SAP standards are in place to ensure that you are making positive progress towards your degree.

If a student is not meeting SAP standards, they will ultimately be placed in a suspension status and will no longer be eligible for financial aid. In these cases, students may submit a SAP appeal to the Office of Scholarships & Financial Aid (OSFA). Appeals are reviewed on a case-by-case basis and the student will be notified via their university CatMail with an appeal decision. For the full policy, visit: <https://financialaid.arizona.edu/policies/sap>

This appeal is to be submitted for students who are not meeting GPA or Pace standards. If you are not meeting Maximum Timeframe, STOP HERE and complete the [Maximum Timeframe Academic Plan Appeal](#) available on the SAP Policy page.

Submitting an appeal does not guarantee approval. Incomplete appeals or appeals submitted after the deadline may not be processed and your financial aid may be cancelled. It is the responsibility of the student to ensure their appeal is turned in, it is not the responsibility of the Academic Advisor.
