INSTRUCTIONS:

1. Complete this form if you wish to apply for need-based Health Professions Student Loan Funds.
2. File the 2017-2018 Free Application for Federal Student Aid (FAFSA) and list the University of Arizona using school code 001083. If you filed a 2015 U.S. income tax return, income verification is required and we may request additional documentation.
3. **Provide parental information on your 2017-2018 FAFSA.** Parent(s) income information should be based on their 2015 U.S. income tax return. Parent income verification is required and we may request additional documentation.
 - a. College of Pharmacy students are independent according to Step Three on the FAFSA, however, the Health Professions Programs under the Department of Health and Human Services require parental information, regardless of age, tax, or marital status.
 - b. *Your application **WILL NOT** be processed unless you provide parental information on your FAFSA by the final submission deadline. In cases where parents refuse to provide income information the student will not be considered for Health Professions Loan funds.*

If your parent(s) are deceased please check the applicable box below:

- Death Certificate(s) **attached to this application**, or
 Death Certificate(s) previously submitted to the Office of Scholarships and Financial Aid (OSFA)

STUDENT CERTIFICATION:

I certify that all information listed above is true and complete to the best of my knowledge. I also agree to review the Master Promissory Note (MPN) carefully before e-signing and accepting the funds if I am offered need-based Health Professions Student Loan Funds.
