## Appeal Guidelines

A student who is no longer eligible for federal or institutional financial aid due to a failure to meet Satisfactory Academic Progress standards and who has been placed in Financial Aid Suspension may appeal this status.

## Submission Deadline

We recommend that you submit your SAP Appeal before the start of the semester for which you would like to receive financial aid. **Fall and Spring semester appeals must be submitted no later than 30 days prior to the end of the semester for which you want to receive financial aid. Summer semester appeals must be submitted at least 10 days prior to the last day of YOUR last summer class. Incomplete or late appeals may jeopardize the reviewing of your appeal in a period that would allow your financial aid to disburse.** See <https://financialaid.arizona.edu/managing-my-aid/satisfactory-academic-progress-sap-policy> for the deadline to submit your SAP Appeal. **Incomplete appeals or appeals submitted after the deadline may not be processed and your financial aid may be cancelled.**

*NOTE: The Colleges of Law, Medicine and Pharmacy have their own qualitative and quantitative standards for assessing Satisfactory Academic Progress and processes for reviewing appeals. Students enrolled in those colleges should contact their college representative directly*

The outcome of this appeal will depend on the nature of the circumstances, the quality of the documentation the student provides, and how well the student has displayed the ability to progress towards degree completion within a reasonable time period. All documentation submitted is confidential.

Some examples of unusual circumstances follow, along with examples of appropriate documentation required to support and appeal:

## Section 1 – Required *To be completed by the student*

Select one of the two boxes below that best describes your situation.

My appeal is based upon my own mental and/or physical illness, injury, or disability.

If you check this box, you must:

1. Obtain a Verification of Health-Related Reasons for OSFA form from Campus Health.
  - a) Obtain a letter from a licensed health care provider, on the health care provider's letterhead, which contains the following information:
    - The approximate date of onset of the mental or physical illness, injury or disability giving rise to the circumstances surrounding the appeal, and the dates through which such condition continued;
    - The general nature of the mental or physical illness, injury or disability that prevents or prevented you from meeting the SAP standards;
    - The last date on which you were or anticipate being able to resume your eligibility for financial aid.
  - b) Provide your licensed health care professional's letter to Campus Health Service to the attention of:

Dr. Harry McDermott  
PO. Box 210095  
Tucson, AZ 85721  
FAX: 520-621-8412

# SATISFACTORY ACADEMIC PROGRESS (SAP) APPEAL FORM

Campus Health will review the letter and, if it meets the conditions for appeal based upon your own mental or physical illness, injury, or disability for the period in which the suspension occurred, they will issue a Verification of Health-Related Reasons for OSFA form. The Verification form will include the dates of onset of the condition and the dates through which such condition continued, but will not include information related to the nature of the condition. You must attach the Verification of Health-Related Reasons for OSFA form to your SAP appeal form and return it, along with a personal statement, to the Office of Scholarships and Financial Aid (OSFA). The Verification of Health-Related Reasons for OSFA form alone (turned in without a student personal statement) is not sufficient documentation for SAP appeal approval.

2. Provide a personal statement without describing the condition itself and Verification of Health-Related Reasons for OSFA form.
  - a) Personal statement should describe all items listed below:
    - How the condition negatively impacted your ability to maintain necessary course enrollments or GPA. If this condition covered more than one semester, address how the condition prevented you from meeting the standards for each semester.
    - How you attempted to maintain your financial aid eligibility during the most recent term, considering these circumstances.
    - How the circumstance(s) that prevented you from meeting the SAP standards have now been resolved.
    - If this condition occurred during prior semesters, you must indicate what steps were taken to improve your condition.

My appeal is based upon circumstances **other than** my own mental and/or physical illness, injury, or disability.

If you check this box, you must:

1. Provide a personal statement which describes all items listed below:
  - a. The reason(s) that you failed to meet the SAP standards. If these circumstances covered more than one semester, address the relevant circumstances for each semester that you did not meet the standard(s).
  - b. How you attempted to maintain your financial aid eligibility during the most recent term, considering these circumstances.
  - c. How the circumstance(s) that prevented you from meeting the SAP standards have now been resolved. You may attach additional supporting documentation, such as third-party statements, police reports, an obituary or death certificate, court documentation, or a letter from an attorney or other professional, detailing the reasons for your inability to meet the SAP standards. All documentation must be legible and in writing.
